MSA Training and Professional Development

MSA Training and Professional Development is a not-for-profit Registered Training Organisation (RTO) at MSA University, Clayton campus. Our courses are open to all, not just Monash students and staff. We are recognised for our high standards in student services, facilities and specialised training programs.

www.msatraining.edu.au

Our staff are dedicated to helping you achieve your educational goals and can provide you with the support and information to get you there.

MSA Training and Professional Development encourages people with a disability to apply to enrol. Please talk to us about how we can support you with your studies.

Monash Student Association (Clayton) Inc.
RTO No. 21526

Program Information

MSA Training and Professional Development works in collaboration with industry and training specialists to develop a program that is flexible and relevant to industry needs.

All courses are delivered as classroom-based courses and all sessions are held on our Clayton campus. Throughout your learning program you will cover a variety of knowledge and skills and be given activities and assessments to complete both within the classroom and at home. You will also need to complete a placement in an early childhood sector to complete your course.

The opportunity to study at MSA Training and Professional Development is open to everyone. We encourage people with a disability and people from diverse backgrounds to apply.

This booklet will guide you through a range of information relevant to this particular qualification. It is designed to be read in conjunction with the Student Information Handbook so please ensure you read and understand all aspects of both documents prior to enrolling.

CHC30121 Certificate III in Early Childhood Education & Care

Course description

This qualification reflects the role of educators in early childhood education and care who work in regulated children's education and care services in Australia. They support children's wellbeing, and development in the context of an approved learning framework. Educators use a range of well-developed skills and knowledge using discretion and judgment when carrying out their work in the context of established policies and procedures. They may work independently or under the guidance of others, though in some contexts that guidance may not be on-site.

Early childhood educators work in long day care centres, family day care, pre-schools or kindergartens.

To achieve this qualification, the individual must have completed a total of least 160 hours of work in a regulated children's education and care service in Australia as detailed in the Assessment Requirements of units of competency. The total number of hours may be applied collectively across all units of competency that include the requirement for workplace hours.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

Examples of indicative job roles for candidates seeking entry based upon their vocational experience include:

- Early childhood educator
- Outside school hours care assistant
- Playgroup supervisor
- Family day care worker
- Nanny
- Recreation assistant

Why study this course?

This course has been developed to provide skills and knowledge for:

- Support each child's health needs
- Promote understanding across diverse groups
- Promote safe sleep
- Provide positive nappy-changing and toileting experience
- Promote quality mealtime environments
- Develop relationships with babies, toddlers and their families
- Support cognitive and emotional development

Where can I study this course?

This course is available at:

- On campus at Monash University in Clayton
- At your workplace – for private groups of 8 or more

Entry requirements

A suitable computer/laptop (a tablet/iPad will not be suitable) & stable internet.

You need to have average English reading and writing skills, or higher. You will need access to a computer and the internet

Students who are not confident using computers are welcome to enrol in one of the short computer courses provided by MSA Training and Professional Development.

Students are required to fill out a Language Literacy and Numeracy assessment during the enrolment process. For those with difficulty filling out the LLN form MSA Training and Professional Development offers a beginner's ESL and individual ESL classes. During enrolment students will also undergo a pre-training review which will help make sure this course is right for you.

Students undergoing this course must also have a Working with Children check before enrolling into this course.

Learners rights

Once the student commences the nominated course, MSA Training and Professional Development will deliver the Training Program using competency-based training principles and practices in accordance with the AQTF (Australian Quality Training Framework)

The Executive Officer is responsible to ensure that there are suitable arrangements to provide records of student outcomes to ASQA in the event that MSA Training and Professional Development ceases to operate. This will be provided via an AVETMISS report encompassing all activity data for the duration of MSATPD operation. If circumstances are such that MSATPD are not able to carry on operations, the RTO Director is to advise ASQA immediately of this decision and provide advice regarding impact on currently enrolled students. MSATPD has a responsibility to transfer these enrolments to another RTO with least disruption to individual students. On ceasing operations, MSATPD is to, facilitate currently enrolled students transfer to another RTO, issue these students with an appropriate refund for service not provided, and issue students with a Statement of Attainment based on completed units of competency.

First Aid

First Aid – Level 2, Provide Emergency First Aid Response, In an Education Care Setting (HLTAID012)
This is included within the Certificate III in Early Childhood and Care at no additional cost.

Pathways

After achieving this qualification candidates may undertake the Diploma of Early Childhood Education and Care. This would be a suitable training pathway and would support career progression. The Diploma then enables access to University entry for some degree courses.

Timetable

The nationally recognised course is delivered in the classroom over 37 sessions running two days per week for approximately 20 weeks from 9am – 4.30pm. The timetable and the order of units is subject to change.

You will also need to complete 160 hours of work placement as part of this course.

Number of sessions and hours are subject to change with the provision of the confirmed nominal hours.

Class and study estimated times

Please use these nominal hours as a guide only, times will vary depending on your learning style, skills and prior knowledge. Indicative nominal hours are a **guide only** and will depend on individual units of competency and time spent on classroom learning, private study, reading, research, group activities and working on assessments.

Total nominal hours: 1078 hrs (Estimate)	
Pre-course reading and research:	20 hours
Total classroom (face-to-face) hours:	240.5 hours
Independent study/reading/research:	250-350
Practical work placement:	160
Completion of assessments:	250-350

You have 4 weeks after each unit to hand in your assessment. Extensions granted for special circumstance applications only.

Excursions/Incursions

Students will have the opportunity to participate in several incursions or excursions which are wonderful learning experiences and a chance to explore topics in real-world settings, often with industry experts or guest speakers. An excursion/incursion levy of \$50 applies.

Recognition of Prior Learning (RPL)

RPL is an assessment process that can give you an opportunity to gain formal recognition—i.e. a qualification or statement of attainment— for knowledge and skills you have attained through informal learning, work and life experiences. If you think you may be able to gain RPL for any of the CHC30121 units, please speak to us to request an RPL Information Handout. Note that RPL is a rigorous, evidence-based form of assessment so you will need to be able to supply evidence for any units for which you are applying for RPL.

Assessments

Assessments include written theory questions, reflective tasks, practical activities and hands-on tasks (eg. giving presentations in class). Wherever possible, the focus is on working with tasks and templates that are used in real-world situations in the workplace. For example, creating a session plan.

A timetable will be given out on the first day of class which will include assessment due dates. Please refer to the student handbook regarding Assessment and Extension Processes.

Materials

Students will need access to a computer with Microsoft Word, internet access and a printer for the purposes of research and completing assessments. If you do not have access to a computer, please talk to us about accessing a computer on campus.

Students will need to provide their own:

- Pens & pencils
- Paper or notebook
- Materials, props or equipment for use during presentations in class
- Laptop (optional but highly recommended). Having a laptop in class will allow you to conduct internet research and type up your assessments into the templates we provide. This will save you from having to do this at home. Please speak to us if you would like to borrow a laptop to use in class.

For online courses, you will need access to a computer which has video/audio capability, internet access and a web browser.

Learner manuals, assessment booklets and handouts will be provided throughout the course and are included in the cost of the course.

Work Placement

You will need to undertake 160 hours of work placement in a childcare facility. This is a vital part of your learning and assessment. During your placement you will be visited by your trainer. This visit is to observe your performance in the workplace and this forms part of your assessment. We do not book the placements for you, as being able to do this is a valuable learning experience for you. We can provide you with a list of childcare centres in surrounding areas and information and advice will be provided in class about how to arrange your placement. We encourage our students to contact the childcare centre in which they wish to do their placement and speak to staff about options for days/times. This allows you to choose the area in which you wish to be placed and to develop networks and rapport with staff in the centres. Please note that some centres are very popular and will have limits on how many students they can place at any one time. You may need to contact several centres before finding one that can accommodate you on the days/times you are available. You may need to travel outside of your local area and you will find this is a valuable learning experience which prepares you for the workforce. Please consult with your trainer if you experience difficulty in finding a suitable placement.

To be able to complete work placement in a childcare facility you **MUST** have a current Working with Children check. If you do not have these at the commencement of the course you will be unable to participate in any placement. As Placement is a requirement of the course this means you will be unable to successfully complete the Certificate III in Early Childhood Education and Care.

Students must be fully vaccinated to do placement at an early childhood education and care centre or school, unless they have an exemption. Please discuss with your chosen location to get the most up to date information on vaccination requirements.

Studying online via Zoom

We are excited to announce that this course is now being delivered remotely online in real-time via Zoom. This is just like being in the classroom, with interaction and support from your trainer and engagement with your classmates, but all from the comfort and safety of home.

This is not a self-paced course. You will need to login at set dates/times as per your timetable and the class will be run 'live'.

Zoom is user-friendly and does not require any specialised software, just internet access. Zoom can also be used on smartphones/tablets by downloading the free Zoom app.

RTO Cessation

MSA Training and Professional Development is committed to ensuring that students have the best possible opportunities to complete their training qualification. Should MSA Training and Professional Development be directed by ASQA or the Department of Education and Training to transfer their students to another RTO, or where MSA Training and Professional Development is ceasing operations as an RTO, suitable arrangements will be made for all currently enrolled students to transfer to another RTO.

Fees

Government funding

This training is delivered with Victorian and Commonwealth government funding to eligible Victorian students under the State Government's Skills First program. Contact us to discuss your eligibility or more information can be seen here: <https://www.skills.vic.gov.au/s/how-to-check-your-eligibility>

Unique Student Identifier

You will need a USI before you train with us commencing from 1st January 2015. You need to apply only once for this number. You will need to provide it to us on enrolment. Store this number somewhere safe and each time you do training with us or another organisation that offers nationally accredited training you will need to supply this USI each time you register.

If you do wish to enrol with us you can find more information and create a USI at the following website. www.usi.gov.au

OpenPay

MSA Training and Professional Development has partnered with OpenPay.

Using OpenPay, we are able to offer an easy payment plan, in either weekly, or fortnightly repayments, to suit your budget, and lifestyle, whilst at the same time improving your independence and freedom. All of this without the financial stress of an outright purchase. Easy Payment Terms of 1 Month – 24 Months are available, to approved purchasers. Please note, this service is offered by OpenPay, which is not connected to MSA Training and Professional Development.

If you would like to obtain further information on our payment plans, please contact us on 9905 3180 or go to www.openpay.com.au/how/
